The Committee planned and hosted a very successful staff, student, and alumnae Thanksgiving Holiday Celebration. Close to 40 guests came to dinner. Guests include Mills College faculty and staff, current students, alumnae (undergraduate and graduate). There was plenty of good food and great conversations. This year we engaged the services of a caterer to cover a possible potluck shortage. There was an abundance of potluck dishes so next year we will not engage a caterer. All in all it was a pleasurable evening with a family atmosphere.

The AoCC is not meeting in December due to members having other commitments and Finals.

AoCC will co-sponsor the Phenomenal Women Celebration with Alumni Relations and Ethnic Studies.
