

Mills College Alumnae of Color Committee Report

The AoCC has had several new and important events this fall. On October 19th, we hosted our 4th jazz concert for the endowed scholarship in honor of President Alecia DeCoudreaux. Mills alum, Kymberly Jackson was our guest, and performed flute pieces, as well as deejaying a fantastic evening of music. There were 60 alumns, trustees, faculty, and staff present, and we raised \$15,000.

Dr. Chinyere Oparah asked for AoCC support regarding meeting with OUSD and the Mills' Oakland Promise. A sub-committee is being formed to begin work on this effort.

On October 7th, Mills hosted the Black Girl Power Conference. Nine AoCC members volunteered which included registration, greeters & ushers, and workshop supporters. There were 100 girls from the bay area in attendance. The conference was from 8:30a-4:30p.

There was an ASMC/AoCC mixer on Saturday, November 4th.

The AoCC Holiday dinner was held a Reinhardt Alumnae House on November 11th.
