

Alumnae Student Relations Committee report - October 2015

**Members: Lynda Campfield, Latasha Warmesley, Michelle Balovich , Cynthia Gevara, Rose Lopez, Bev Curwen.
Chair: Viji Nakka- Cammauf**

We started the Fall with our popular event Taco Tuesday on August 25th. There were over 200 students because of the addition of the graduate students. Student Life sponsored 40 grad students.

There was a change in the catering service we used and we saw the difference in the service and quantity of food served at the event.

The cost was comparable to the caterer we used the last three years. Students were warm and engaging which made for some great conversations.

The raffle and desserts were greatly appreciated by the students.

Number of guests: 200+
