

Alumnae Student Relations Committee Report - February 2016

Members : Michelle Balovich, Lynda Campfield, Bev Curwen, Rose Lopez, Lillian Sahagun, Latasha Warmsley, Cynthia Gevera.

Chair : Viji Nakka- Cammauf

December : We concluded the year with the distribution of snacks for students during their finals week. This is a popular event where sometimes the students wait in line before we open the doors to the snacks.

We distributed 150 bags filled with mostly healthy snacks.

Upcoming event: Pearl M Dinner for graduating Seniors . Wednesday march 30 from 5;30pm to 8:30 pm in the Student Union.

For the second year in a row we have opted to an outside caterer (Italian Colors of Montclair) for the dinner . Since *Bob Appétit* has monopoly on the *Orchard Meadow Hall* we will once again have the dinner at the *Student Union*. Last year we saved nearly \$2000 through these choices.

This is a both a celebratory and a significant event for our students, so let's show our support through our presence and hospitality to our future alumnae.
