Two much anticipated events concluded 2016: The Winter Graduates' Celebration and Finals Snacks Distribution.

The **Winter Graduate** event is a celebration for all those who graduate mid-year and may or may not be at Commencement. The Alumnae Student Relations Committee and The Alumnae Relations co-host this event and share costs. We had a nice turn out with students and their families. President Hillman and some of the College officers joined us in congratulating the graduates. Governors and alumnae presented each student with a eucalyptus pin along with roses and well wishes.

Finals Snack Distribution: The Alumnae Student Relations Committee members purchased and assembled 150 bags of snacks and distributed them in various dorms this year. Hot chocolate and finger foods were served at the Student Union.

Spring events:

International Dinner honoring graduating International students. Wednesday March 29th at 5 pm at RAH.

Pearl M Dinner is held each year for graduating seniors where one or more students are awarded the Pearl M pin for their service to the AAMC. This year the dinner is on Wednesday April 19th at 5 pm at the Student Union. The dinner is followed by a lantern procession and a champagne reception at RAH

We will have another snack distribution during the finals week.

Please mark your calendars for the two main events. You will be receiving invitations for both events.

I am grateful to be serving with alumnae who love and serve Mills generously.
