

Alumnae Student Relations Report – November 2019

Mission: The ASR Committee sponsors programs, which help create a positive relationship between students and the Alumnae Association. This ongoing relationship encourages students to become supportive and active members of the AAMC when they become alumnae.

Members: Viji Nakka- Cammauf (Chair), Lynda Campfield, Michelle Balavich, Kristen Oliver, Melissa Berkay, Kelsey Lindquist, Latasha Warmesley, Bev Curwen, Miki Hong and Ysa Yuen.

International Dinner, Friday October 25, 2019, welcoming incoming international students and honoring our international faculty.

This year the dinner was co-sponsored by the Center for Leadership, Equity and Excellence and the Office of Career advising and Global Learning. The staff cooked the entire meal which was ginger themed and international in cuisine. It was a fabulous meal. During the evening the students and faculty shared about their experience of coming to the US and to Mills. This was a community-building event and allowed our international community to feel welcomed and recognized.

We had 21 students, 12 faculty, 4 College staff and 1 College officer at the dinner. Several ASR committee members who are also on the BOG along were at the dinner.

The International student population at Mills is very small and feel invisible and we need more such events to help them feel that Mills is a place where they can thrive and be enthusiastic about recommending it to others.

Upcoming events:

Winter Celebration for Midyear graduates, Friday December 13, 5-8pm.
