Branch Club Committee Report, Spring 2015

The Branch Club Committee of the AAMC held their final meeting of the academic year in March. At that time we learned that our Chair, Marge Nicholson, would be taking some much needed time off to tend to health issues. Judith James and Lynette Castille-Hall stepped forward to take on the responsibilities of the committee for the remainder of the year in Marge's absence.

First on the agenda was to offer the Branch Clubs an "incentive" of \$50.00 to applied to Branch Club activities, cocktail gatherings, summer send-offs, teas etc. With guidance from Susan Thomas, we sent out the offer to local Branch Clubs and wait to hear from them. These activities should take place by the end of this fiscal year, June 30th.

Secondly, an email invitation has gone to all of the Branch Clubs regarding the Annual Meeting, after Commencement on May 16th. We are hoping for as many branches as possible attend the meeting and share their activities with us at that time. Written reports are requested for those that cannot attend.

Marge gave us excellent leadership in her absence and we hope that we have kept the work of the Branch Club in motion.

We look forward to seeing everyone at the Annual Meeting.

Respectfully submitted,

Lynette Castille-Hall

Judith James

Interim Co-Chairs, Branch Club Committee, AAMC Board of Governors
