

ALUMNAE ASSOCIATION OF MILLS COLLEGE BOARD OF GOVERNORS
Lifelong Learning Committee Report
February 14, 2018

Members: Gloria Fangon-Hitz, Chair; Lynda Campfield; Dawn Cunningham

- The Lifelong Learning Committee met on January 23, 2018 to award the first \$500 alumnae auditor stipends for the spring semester 2018. Three applications were reviewed, and all three were approved. A fourth application that was mailed to the AAMC on time, but briefly misdirected within the office, was subsequently approved. The recipients and the courses they are taking are: Erin Connolly '12, Tennis; Joan Flores '01, Theories and Praxis of Health Equity; Cloud Force '00, Marketing Management; and Jeunesse Monroe-Speed '02, Corporate Finance.
- Since there are still funds available in the stipend account, alumnae will be invited to apply for the auditor stipends again for fall semester 2018.
- Gloria and Lynda subsequently met to brainstorm for 2018 activities. The Committee will plan four activities: two during spring-summer and two in the fall-winter. Dates and activities to be firmed up in March.
