The nominating committee has met two times and our work is well under way! This year the nominating committee has a big task. We are selecting a president, vice president, alumnae trustee and four governors.

Committee members have begun conversations with possible candidates for president and the alumnae trustee nominating material has been submitted to the Mills Quarterly. Please see the back of this report for the Mills Quarterly text and information on application deadlines.

At our upcoming meeting committee members will be selecting a replacement governor for Lesli McNeil who has accepted a staff position.
