

Nominating Committee Report December 2012

This year the nominating committee is charged with several tasks:

- Select a president
- Select a vice president
- Select an alumna trustee who will be elected by the membership
- Select 4 new Governors

The committee has been busy with these tasks. Six questionnaires have been sent out to individuals interested in becoming alumna trustees. The committee is well on its way selecting an association president, and we ask for help in recruiting interest in the Board to fill the open Governor seats.

Our next meeting is January 26, 2012.
