

## Mills Alumnae Award Committee Report

September 2018

Committee Members: Susan Ardisson, Lynette Castille-Hall and Molly Fannon Williams

Once again with the very able assistance from Committee members Lynette Castille-Hall and Molly Williams, the Committee reviewed and considered the nominations over the summer for the Recent Graduate Award, Outstanding Volunteer Award, and Distinguished Achievement Award for 2018. After careful consideration, the Committee made the following selections, and are pleased to announce this year's recipients:

Recent Graduate Award: Myila Granberry BA, 2005

Outstanding Alumnae Volunteer: Melissa Stevenson-Diaz BA, 1992

Distinguished Achievement Award: Claire Bainer, BA, 1974

All will be present at the Alumnae Lunch this month.

Susan Ardisson and Lynette Castille-Hall will continue as Co-chairs for the 2018-2019 year. Molly Fannon Williams has graciously stepped down after five years on the Committee.

We are looking for new Committee members, so anyone interested, please contact either Susan or Lynette.

***The Committee enthusiastically invites all alumnae to submit names for award consideration throughout the academic year. The deadline for nominations is July 15th.***
