

Volunteer Development Committee

February 2018 Report to the AAMC Board of Governors

Mission:

To recruit and sustain a corps of alumnae volunteers who are engaged in productive, fulfilling roles that support the AAMC and Mills College. Working in close cooperation with our College partners and other AAMC committees, we serve as a central point within the AAMC for marketing volunteer opportunities and identifying, engaging, supporting, and stewarding our alumnae volunteers.

Members:

Dawn Cunningham (co-chair), Vicki Luibrand (need to confirm whether she will continue as co-chair), Trina Cook. We are working on recruiting additional members.

Activities since early December:

- Added Call for Volunteers page to the AAMC website. This page will provide a place to add new calls for specific types of volunteers.

- Worked with Pierre Loving to write and place, in the December (e)ucalyptus enewsletter and the above webpage, a call for a volunteer architect and contractor for the RAH kitchen.
- Drafted copy on AAMC volunteer opportunities for the spring (March) issue of the Mills Quarterly, including a call for mentors for the PeopleGrove online mentoring program and for RAH kitchen renovation volunteers.
- In process: development of a survey of AAMC governors on volunteer needs.
