If you are interested in being an officer of the AAMC, please check the position for which you'd like to be considered. *Note: For 2023-2024, the President position is not vacant.*

- Vice President** - The AAMC shall have at least two and no more than three Vice Presidents. Each Vice President serves a three year term, serves on the Executive Committee, and performs other duties as requested from the President or the Board of Governors.
- Corporate Secretary/Treasurer** - The Treasurer/Corporate Secretary serves a three year term, serves as the Chief Financial Officer of the Association, serves on the Finance/Investment Committee, and reports regularly to the Board of Governors. The Treasurer/Corporate Secretary maintains the Association's Corporate seal, books and records and coordinates duties with the AAMC office manager and the office assistant.

How do you view the future of the AAMC?

What are your hopes and expectations for the AAMC?

Given that the last Mills students (who began their studies pre-merger, but remained Mills at Northeastern students) will be graduating in 2024, how do you envision the relationship between the AAMC and future students on campus, with respect to programs, services, and connection?

How do you think the AAMC can best offer support to our newest alumnae, who have been impacted by challenges such as the pandemic and the Mills College transition?

Is there anything else you would like to add?

Candidate Statement

I would like to be nominated for the AAMC Board of Governors, and I understand serving on the Board of Governors includes the following commitments:

- Fulfill the board's legal responsibilities as written in the AAMC bylaws, which can be found at <https://www.aamc-mills.org/bog>;
- Actively serve on, and preferably Chair, at least one committee;
- Give an annual gift to the AAMC according to personal means;
- Attend all regularly scheduled board meetings;
Traditionally, there have been 4-6 meetings per year. Moving forward we expect them to be as frequent as monthly.
- Attend AAMC's Annual Meeting. Historically the AAMC Annual Meeting is held in the month of May;
- Attend retreats, workshops, or other Board development activities, when scheduled; and
- Attend AAMC-sponsored events as much as possible.

I recognize that board participation will be at my own expense.

I understand that my application will be held on file for two years. If I am not selected as a Board of Governors member, I will be considered for other volunteer opportunities commensurate with my expertise and interest. In this regard, I will continue to update my application to reflect additional skills and experience.

I have read and understand the requirements on the Board of Governors and agree to fulfill the responsibilities if elected.
